Both Chairpersons and Chief Executive Officers of State Corporations and other significant public entities play a critical role in shepherding their respective entities implementation of the Government's policy aspirations. They are particularly critical anchors in driving entity performance and compliance, through leading by example. Board Chairpersons and Chief Executive Officers are expected to champion and foster a culture of transparency, accountability, and integrity within the organizational spectrum, while simultaneously ensuring that the entity is undertaking its core mandate, with the citizen as the central point of reference.

The need to secure a common understanding of the expectations of this solemn duty cannot be gainsaid. Consequently, this office has scheduled a consultative forum for all Chairpersons/ Chief Executive Officers of State Corporations and Unincorporated Statutory Bodies, to be held on **Wednesday, 31st May 2023, from 8:30 am to 2:00 pm, at the Kenya School of Government.**

The Forum is expected to align this Administration's aspirations and expectations with your roles as Chairpersons/ Chief Executive Officers, and deliver with clarity, the ethical obligations and performance standards that you will be expected to drive.
